STRIPELIGHT®

Model FRT-L1

The Stripelight FRT L1 Model is a handheld fire, rescue, and tactical (FRT) intrinsic safe flashlight specific to HazLoc US/Canada certifications. It provides a blue Laser stripe line and LED light sources. The FRT L1 laser provides new functionality for situation awareness to first responders to identify obstacles, holes, or search for others providing hints to navigation and to observe smoke flow, density, and track source.
